Worship for the Family

Week 14: The Faith of Abraham - Pt 11

**Bridgewood Church of Christ
and DadsLearning.com**

This week we continue a multi-week study about Abraham and Sarah.

Getting Started

Encourage everyone to get their minds focused and prepared for studying the Bible. Consider singing a song or two. I have uploaded a teen songbook that we use at camp. Perhaps you will spot some songs that are familiar and you can sing together as a family. Click [here](#) to download the songbook.

Review

Last week we read about Abraham and Sarah telling another lie. What was the lie they told? Who did they tell it to? Why did they tell the lie? Why do you think their lie is recorded for us in the Bible? How does telling a lie impact us as a person? What can a lie do to our family? Can the truth sometimes be used as a weapon? In the New Testament we are told to teach the truth in ????. How do we do that?

Devotional Thought

READ Genesis 21:1-7 - The birth of Isaac

How had Abraham and Sarah reacted to the news the Lord gave them that they would have a child? Why did they react this way? Why was it important that the Lord give Abraham and Sarah a son?

The key of today's devotional is that God does amazing things!

What amazing things has God done in your family? Spend five minutes writing down all the blessings that God has given your family. Most of us could write down blessings all day long and still not finish.

Why is it important that we give God credit for the blessings that we enjoy in life?

What is the difference between wants and needs? What does God promise to supply us? READ Matthew 6:25-34 for some ideas.

What blessings do we have as a family that we could share with others?

Conclusion

We are richly blessed in this country. Even the poorest among us is richly blessed when compared to the vast majority of the rest of the world. Offer a prayer of thanksgiving for your blessings and a request for more opportunities to share your blessings with those who need them.
