### **Getting Started**

Encourage everyone to get their minds focused and prepared for studying the Bible. Consider singing a song or two. I have uploaded a teen songbook that we use at camp. Perhaps you will spot some songs that are familiar and you can sing together as a family. Click [here](#) to download the songbook.

### **Review**

Last week we continued our journey with God's people as we looked at the life of Solomon. Who was Solomon's father? Who was his mother? What had God asked Solomon to do? Now we get into some more challenging detail questions that even I sometimes forget the answers to.... Who sent servants to help with the building of the temple? What word of the Lord came to Solomon as he was building the temple? And finally... Is there anything special about the places where we worship? Where does God reside today? (1 Corinthians 6:19)

### **Devotional Thought**

READ 1 Kings 10:1-13 - The Queen of Sheba comes to visit Solomon.

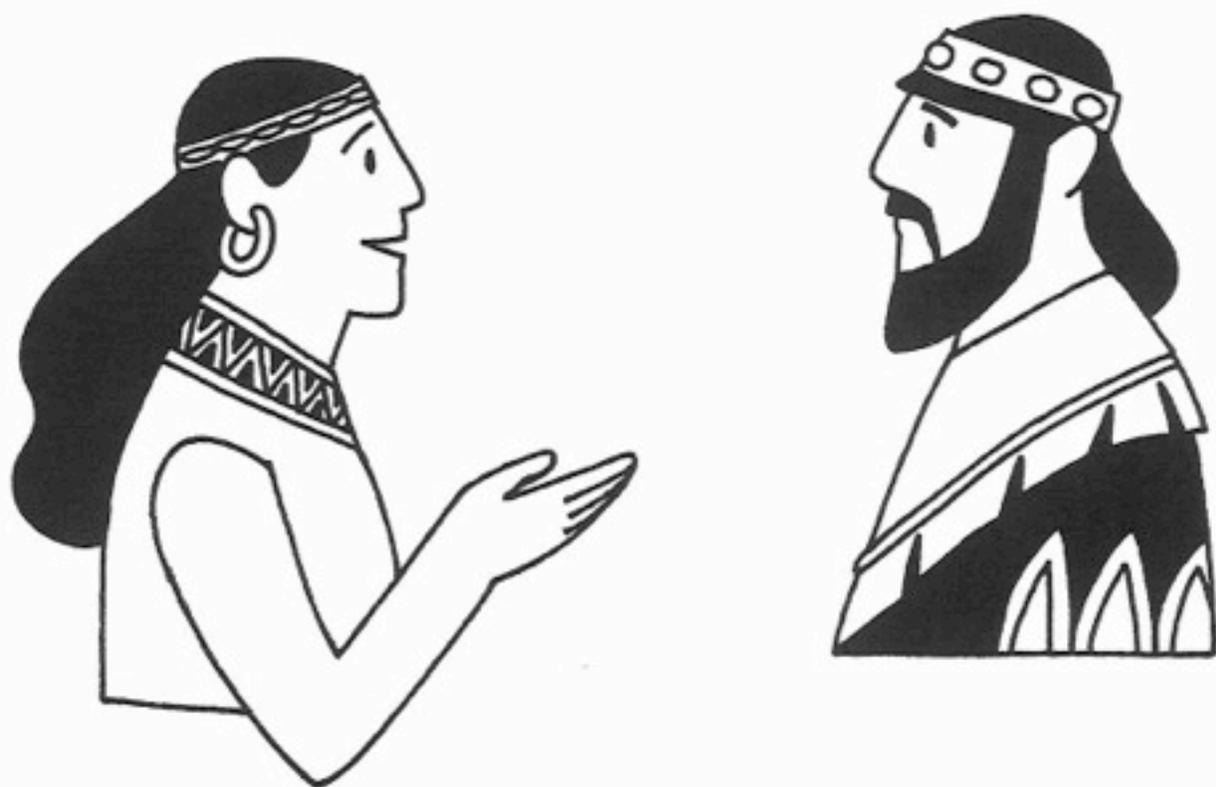

Why had the Queen come to visit Solomon? Sometimes people can not believe something until they see it for themselves and have the chance to test it.

Did the Queen of Sheba come to test Solomon with easy question or hard questions? She brought hard questions of course. If Solomon is so wise then she needed to test his mind and understanding.

When people hear of your belief in God will they test you? How will you respond? Have you taken time to learn the scriptures in order to provide a clear answer with facts from the Bible? When people come to challenge our beliefs we should welcome it as an opportunity to teach. I imagine that the Queen of Sheba didn't come with the best intentions in mind. She came to prove that Solomon was a fake. What will people find when they ask you about your faith? Is it the real deal or is it just a front?

### **Conclusion**

Solomon was blessed by the Lord more than any king before or since. We are abundantly blessed to have the Bible that we can know and understand. Thank you for taking time to study with your family. Might I suggest that we all offer up a prayer of thanksgiving to God for his word.
